Special Issue: Advanced Biotechnology in Hatchery Production

Preface vii

Techniques in finfish larviculture in Taiwan
I C. Liao (Keelung, Taiwan), H.M. Su (Pingtung, Taiwan) and E.Y. Chang (Keelung, Taiwan) . . . 1
Production of juvenile marine finfish for stock enhancement in Japan
H. Fushimi (Fukuyama, Japan) 33
Larviculture of marine finfish in Europe
R.J. Shields (Waimanalo, HI, USA) 55
Current status of marine finfish larviculture in the United States
C.-S. Lee and A.C. Ostrowski (Waimanalo, HI, USA) 89
Live food production in Japan: recent progress and future aspects
A. Hagiwara (Nagasaki, Japan), W.G. Gallardo (Nagasaki, Japan; Tigbauen, Philippines), M. Assavaaree (Nagasaki, Japan; Songkhla, Thailand), T. Kotani and A.B. de Araujo (Nagasaki, Japan) 111
Advancement of rotifer culture and manipulation techniques in Europe
P. Dhert, G. Rombaut, G. Suantika and P. Sorgeloos (Gent, Belgium) 129
Use of the brine shrimp, *Artemia* spp., in marine fish larviculture
P. Sorgeloos, P. Dhert (Ghent, Belgium) and P. Candreva (Baasrode, Belgium) 147
Substitution of live food by formulated diets in marine fish larvae
C. Cahu and J. Zambonino Infante (Plouzané, France) 161
Digestive enzymes in fish larvae and juveniles—implications and applications to formulated diets
S. Kolkovski (North Beach, WA, Australia) 181
A review of feed development for early life stages of marine finfish in Japan
T. Takeuchi (Minato, Japan) 203
Interactions between fish larvae and bacteria in marine aquaculture
J.A. Olafsen (Tromsø, Norway) 223

Discussion
General discussion on "Advanced Biotechnology in Hatchery Production"
C.-S. Lee 249

VOL. 200 NOS. 3–4 **3 SEPTEMBER 2001**

Diseases, Parasites and Predators

In vitro assessment of the antiparasitic effect of caprylic acid against several fish parasites
N. Hirazawa, S.-i. Oshima and K. Hata (Oita, Japan) 251

In vitro antimicrobial susceptibility of *Photobacterium damselae* subsp. *piscicida* to 15 different antimicrobial agents
A. Thyssen and F. Ollevier (Louvain, Belgium) 259
Protection, immune response and side-effects in European whitefish (*Coregonus lavaretus* L.) vaccinated against vibriosis and furunculosis
L.-G. Lönnström (Turku, Finland), R. Rahkonen (Helsinki, Finland), T. Lundén (Turku, Finland), M. Pasternack (Helsinki, Finland), J. Koskela (Valkola, Finland) and A. Gröndahl (Turku, Finland). 271
The effect of rearing conditions on development of saddleback syndrome and caudal fin deformities in *Dentex dentex* (L.)
G. Koumoundouros, P. Divanach and M. Kentouri (Iraklio, Greece). 285

Husbandry and Management
Comparison of nutrients release among some maricultured animals
P.-Y. Qian, M.C.S. Wu and I.-H. Ni (Hong Kong, People's Republic of China) 305
Electrical stimulation of spermatophore extrusion in the freshwater yabby (*Cherax destructor*)
D.R. Jerry (Armidale, NSW, Australia) 317
Effect of starvation on the growth and survival of post-larval abalone (*Haliotis iris*)
R.D. Roberts (Nelson, Dunedin, New Zealand), C. Lapworth (Nelson, New Zealand) and R.J. Barker (Dunedin, New Zealand) 323

Nutrition
Dietary folic acid requirement determined for grass shrimp, *Penaeus monodon*
S.-Y. Shiau and S.-Y. Huang (Keelung, Taiwan) 339

Physiology and Endocrinology
Physiological responses during stress and subsequent recovery at different salinities in adult pejerrey *Odontesthes bonariensis*
M.Y. Tsuzuki, K. Ogawa, C.A. Strüssmann, M. Maita and F. Takashima (Tokyo, Japan) 349
Long photoperiod delayed spawning and increased somatic growth in gilthead seabream (*Sparus aurata*)
G.Wm. Kissil, I. Lupatsch, A. Elizur (Eilat, Israel) and Y. Zohar (Baltimore, MD, USA) 363

Contents of *Aquaculture*, Volume 200 381
